**REMARKS**

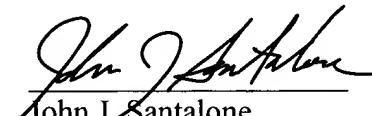

The pending claims of the subject application were finally rejected in an Office Action dated October 17, 2005. Although Applicants disagree with the Examiner's position, in order to pursue patent protection on other aspects of the subject invention, applicants have herewith filed a divisional application directed to methods for the catalytic coating of substrate materials.

Enclosed is a check for \$2020 to cover the \$1020 fee for a three-month extension of time in the present application and the \$1000 filing fee for the accompanying divisional application.

If any additional fees are due, or an overpayment has been made, please charge, or credit, our Deposit Account No. 11-0171 for such sum.

If the Examiner has any questions regarding the present application, the Examiner is cordially invited to contact Applicants' attorney at the telephone number provided below.

Respectfully submitted,
